

It's easy!

- Use your account or create an account by [clicking here](#)
- Once you've created your account (or are using your current account), add Great Crowns & Smiles Dental Lab to your list of labs
- Create your digital scan, click the "Continue" button and enter relevant information
- Review everything and then click the button "Enter Order Data". This will prompt you to then select our lab and when you want the case returned. Be sure to click the "Add Additional Information" button to include any comments you may have.
- Once you've added all relevant information, click the button "Submit Cart" and you're done!*
